

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. # CONSTITUTION,

## AS AMENDED TO JUNE, 1904.

---

### **Name.**

I. The Club existing under this Constitution is the UNION CLUB OF THE CITY OF NEW YORK.

### **Property.**

II. The real estate of the Club is now vested in Trustees, and shall be held, mortgaged or transferred by them, or their successors, as may be directed by the Governing Committee.

### **Government.**

III. 1. The government and management of the Club is confided to a Committee of twenty-four of its members, to be known as the Governing Committee.

2. The Governing Committee is divided into three equal classes, and the term of office of the oldest class shall expire on the Second Wednesday of each February, or when their successors are elected.

3. Members to replace the outgoing class, and to fill vacancies in the other classes, shall be elected by the Club at the annual election, or at an adjourned meeting thereof, but the Governing Committee shall have power to fill all vacancies until the next annual election.

4. A majority of all the votes cast shall be necessary to the election of a member of the Governing Committee, either to a place in the incoming class, or to fill a vacancy in either of the other classes.

5. No member shall be eligible for election to the Governing Committee unless his name shall have been posted as a candidate in a conspicuous place in the Club House for at least ten days before the election.

6. Any member of the Governing Committee who shall absent himself from three consecutive regular meetings, unless he shall

have previously obtained permission so to do from the Committee, or shall present at the next regular meeting an excuse for his absence satisfactory to every member of the Committee present, shall cease to be a member of the Committee.

### **Powers of the Governing Committee.**

IV. 1. The Governing Committee is authorized to elect annually from its own body a President, Vice-President, Secretary, and Treasurer of the Club, who shall hold office until the Second Wednesday of the succeeding February, and until their successors are elected.

2. To appoint a House Committee of five, whose duty it shall be, subject to the direction and control of the Governing Committee, to direct and manage the affairs of the Club, and to receive and act upon complaints and suggestions of members, reporting monthly to the Governing Committee.

3. To admit members and to expel or to suspend them by ballot; one adverse ballot in ten excluding, and a two-thirds vote of the

Governing Committee expelling or suspending.

4. To prescribe rules for the admission of strangers.

5. To make rules for the use of the Club by the members, and for their conduct in the Club House.

6. To fix penalties for violation of the Rules, and to enforce the same.

7. To remit penalties for offences against the Rules, and for accidental violations of the Constitution.

8. To put an end to membership for any conduct of a member, not in violation of the Constitution or the Rules, but improper and prejudicial to the Club.

9. To call special meetings of the Club to consider a specific subject.

10. To make rules for their own government, and to fix and enforce penalties for the violation of such rules.

11. To borrow money on behalf of, and for the purposes of the Club, and to authorize and direct the President and Secretary to execute

---

under their hands and seals, notes, bonds, or other evidences of indebtedness, and to sign, execute, and deliver or direct the Trustees of the Club to sign, execute, and deliver mortgage, mortgages or other pledge or pledges of any or all Club property, real or personal, as security for the payment of the same, and generally to have control and management of all the affairs of the Club.

### Membership.

V. 1. The number of members, exclusive of officers of the Army and Navy of the United States and Life members, shall not exceed sixteen hundred. Adult citizens of the United States, or foreigners resident therein two years, may become members upon election by the Governing Committee and payment of the entrance fee and the yearly dues. If such payment is not made within thirty days after notice of election shall have been given, either to the proposer or seconder of a candidate, the election shall be void.

2. Candidates for membership must be

proposed and seconded by two members, in their own handwriting, in a book kept for that purpose, at least ten days previous to a meeting of the Governing Committee, and their names posted in a conspicuous place in the Club House for the same length of time.

3. Army and Navy members, when they resign from the Army or Navy, may become regular members by applying to the Secretary to be transferred from the Army and Navy list to the list of regular members, and paying the annual dues from the date of their resignation.

4. Regular members, upon being commissioned in the Regular Army or Navy, may be transferred to the Army and Navy list, on application to the Secretary.

### Six Months' Visitors.

VI. Officers of the Army and Navy of the United States, and strangers not residing in nor within fifty miles of the city, nor doing business within those limits, may become visitors for six months, through election by

the Governing Committee and payment of the yearly dues, such election to be governed by the same rules as the election of members.

### Entrance Fee and Yearly Dues.

VII. 1. The entrance fee shall be three hundred dollars; the yearly dues one hundred dollars, payable on the first day of May of each year. Officers of the Army and Navy of the United States, elected prior to June 1, 1902, are exempt from the yearly dues.

2. The entrance fees shall be reserved and accumulated as a separate fund, and shall be applied only as the Club at large shall direct.

### Notices.

VIII. A member may inscribe in a book, to be kept in the office, a mail address for notices prescribed or directed by the Constitution or the Rules. In the absence of such inscription, such notices shall be served by depositing them in the Club letter-box, addressed to him, and he shall be held to have

received them ten days after they are so mailed or deposited.

### Penalties.

IX. 1. Any member who shall fail to pay an amount due the Club exceeding twenty-five dollars (except the yearly dues) for three weeks after notice of the indebtedness and a request to pay the same, shall, upon the facts being presented to the Governing Committee, cease to be a member, subject to the provisions of Section 7, Article IV.

2. Any member who shall fail to pay the yearly dues for three months after the first day of May shall cease to be a member, subject to the provisions of Section 7, Article IV.

### Amendments and Alterations.

X. 1. Amendments to the Constitution may be made at any meeting of the Club, annual or special, by a two-thirds vote; alterations of any rule of the Governing Committee, by a majority vote.

2. Notice of proposed amendments to the Constitution, or alterations of the Rules, shall be furnished to the Secretary at least fifteen days before the meeting at which it is proposed to consider them; and the Secretary shall cause the same to be printed and distributed to members seven days before the meeting.

### Meetings of the Club.

XI. 1. The Club's fiscal year shall end on the thirty-first day of December; and there shall be an Annual Meeting of the Club on the third Wednesday of January, in each year, commencing in January, 1905, at such hour as the Governing Committee may designate; if no quorum be present, the presiding officer shall adjourn the meeting to any other day, with the same effect as if held as above.

2. Upon the written request of fifty members the Governing Committee shall call a special meeting to consider a specific subject.

3. One hundred and fifty members shall

constitute a quorum at any meeting of the Club.

4. The report of the Governing Committee upon the condition of the Club shall be printed and distributed to members seven days before the annual meeting.

5. At any meeting, after the business before it shall have been disposed of, discussion upon the interests of the Club shall be in order.

### **Meetings of the Governing Committee.**

XII. The Governing Committee shall meet once a month, except during the months of July, August, and September. Special meetings may be called by order of the President or of the House Committee. A majority of its members (exclusive of those absent by its permission) shall constitute a quorum of the Governing Committee.

### **Election of Members of the Governing Committee.**

XIII. 1. The Election to membership in the Governing Committee shall be held, by

---

ballot, at each annual meeting of the Club, or at the first special meeting following the annual meeting, immediately after its organization. The presiding officer shall appoint four inspectors of election, who shall receive and canvass the ballots, and certify the result to the Secretary. The polls shall remain open for two hours.

2. In case the certificate of the inspectors shows that all the vacancies in the Governing Committee have not been filled at the election, the meeting shall be adjourned for two weeks, at which adjourned meeting the election to fill those vacancies shall proceed as hereinbefore provided.

### Duty of Officers.

XIV. The President, and in his absence the Vice-President, shall preside at all meetings of the Club and of the Governing Committee. In the event of their absence, a meeting of the Club or of the Governing Committee may elect its presiding officer. The Treasurer shall keep the accounts, and report thereon

monthly, and the Secretary shall keep the records of the Club.

**Profit.**

XV. No profit exceeding twenty-five per cent shall be made or charged upon any article sold to a member by the Club.

# RULES OF THE CLUB.

---

## **Elections by the Committee.**

1. A second ballot, upon the election of a proposed member, shall be taken at any time before the adjournment of a meeting upon the motion of a single member of the Committee; but after the meeting a rejected candidate shall not be again balloted for, unless again proposed for membership, and then only when his name shall be reached in its regular order on the list of candidates.

No member of the Committee shall propose or second a candidate for membership of the Club.

2. A candidate whose name shall have been laid over at two successive meetings shall be stricken from the list of candidates. He may be proposed again for membership, but shall not be balloted for until his name is reached in the regular order on the list.

This rule shall not apply to minor sons of members or of deceased members.

3. Any person having resigned from the Club, and being again proposed for membership, shall be balloted for before any other candidate.

4. When members have resigned from the Club and are re-elected to membership, the date of the last election only shall be printed in the annual Club list of members.

Residents in or within fifty miles of the city, or doing business within those limits, can be admitted only to the private Dining Rooms.

A member may invite to the privileges of the Club, for a period of seven consecutive days, a resident of the United States, not excluded as above, or a non-resident of the United States, but can have no more than one

guest at a time. No stranger shall be introduced a second time, unless he shall have been absent from the city three months. The House Committee may revoke any invitation.

A notice shall be sent, as soon as practicable after the first day of each month, and not later than the third day of the month, to each member who shall be indebted to the Club on the last day of the preceding month in an amount exceeding twenty-five dollars. Said notice shall be accompanied by a request to pay the amount within three weeks after date thereof; and a failure to comply with such request shall subject the member to the penalties of Section 1, Article IX., of the Constitution.

The names of the members who have not

The above privilege not to apply to visitors of the Club.

Members are requested to take a receipt for all moneys paid to the office and deposit the same in the box for "member's receipts."
